Re: 4-H Community Fair update

The Dearborn County Community Fair Board (DCFB) and the Dearborn County 4-H Board of Directors (BOD) have received word from the State of Indiana and Purdue University that we are allowed to proceed with this year's Dearborn County 4-H & Community Fair. The final hurdle we must pass is the Dearborn County Health Department approval closer to the fair date. The 4-H Fair Board has faced many challenges due to the coronavirus pandemic, when thinking about how it will affect plans for the local fair.

We decided to move forward with this year's Dearborn County 4-H & Community Fair planned June 21-26, 2021".

Since we must pass Health Department approval because of Covid-19 uncertainties and future health and safety guidelines, the 4-H Board of Directors and Fair Boards will review the situation over the next several months with safety as a primary focus. The boards are working on alternate plans in order to offer the best Fair experience possible.

We hope that with these changes, the community will continue to support the 4-H program and come see the great accomplishments of our 4-H youth at the fair. This support will allow us to weather through these uncertain times and pave the way for the future of 4-H in Dearborn County.

We look forward to seeing you **June 21-27, 2021.**

Thanks,

Russell Beiersdorfer
President, Fair Board

Brad Dawson
President, 4-H Board of Directors
